| Mar. 14<br>1 pm         | TBA                                       |   |  |

Skiers are requested to form car pools for out of town trips, to ski only on designated trails, and to leave the family dog at home. Outings may be cancelled or changed due to unfavourable conditions, e.g. freezing rain, -20°C, or lack of snow. Check with the leaders and the NRT or email updates for any changes, or more details for directions, driving and skiing distance.

If you would like to volunteer to help with a tour, either on the day or to pre-run the trail, please contact the leader.
